RE: Student Accident Excess Coverage Information

Dear Parent:

Student Accident Excess Coverage will be provided for the 2017-2018 school year for each enrolled K-12 student at no cost to you. No enrollment is necessary for the school time Student Accident Coverage. Additional information regarding the Student Accident Coverage and additional coverage that is available for purchase can be obtained from your building secretary or you can obtain the electronic version of this information on the district website.

If you need to file a claim, you must complete a Student Accident Claim Form. Please read the Claim Form for instructions on how to submit a claim. The school district and medical/dental providers are not responsible for filing a student accident claim. Please note that all claims must be reported within 90 days of the date of the injury. Claims not reported within the guidelines will be denied coverage.

Please note that this coverage is accident coverage only, and will not replace your primary health insurance. The Student Accident Coverage plan is designed to pay for expenses which are not reimbursed by your primary health insurance, any other plan of coverage or any other benefit. As a result, you must file a claim with your own health insurance carrier first.

We are pleased to be able to offer this benefit for the 2017-2018 plan year.

Sincerely,
